RE: Dora Gomory

To Whom It May Concern:

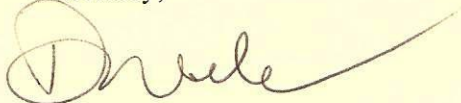

Dora Gomory has been the nanny of our 3.5 year old daughter, Annabelle, since November 2007. Upon our first meeting, I knew Dora was a very special person. Her soft spoken, kind and gentle manner immediately won the heart of our daughter who adores Dora like a family member, as do my husband and I. In addition to her lovely demeanour, she is highly intelligent and very mature for her age. She is also hard working and reliable and has never been late or had to cancel for any reason over the past year.

Her current qualification as a nursery assistant is evident in all of the highly original and countless craft projects and games she plays with Annabelle. Annabelle has developed an enormous amount as a result of her time spent with Dora. But what is particularly special about Dora is not only has Annabelle developed practical skills, she has developed into a sensitive, caring, and kind little girl; qualities I believe have been strongly enhanced by Dora.

I give Dora the highest recommendation possible. She is a person of impeccable character and I am certain will be a beloved staff member to any nursery that is lucky enough to have her.

Please feel free to contact me if you have any further questions.

Sincerely,
